## Registration

Summer Sphere is our programme of summer activities, catering for different ages and interests. Most activities are free, and all are managed by the youth work staff. Young people must be registered to take part, and registration is available up to the start of Summer Sphere 2017 (July 10th) by contacting any of our centres. But don't leave it too late – places are limited!

All dates and times are correct when going to print, these are subject to change. We will keep you updated via Priorswood Facebook. Contact Sue on 086 8555 917 for more info.
